

Classification: NOT PROTECTIVELY MARKED

Download Public Set-Top Box Fraud Alert- The NFIB has identified a new fraudulent trend that could impact the general public in relation to set-top boxes infected with malware which may steal users' details to commit fraud.

Download Wedding Services Alert- With the upcoming "Wedding Season", and for those individuals who are considering making plans for next year and beyond, you should be aware of the potential risks of fraud involved.

Download Scammers Using WannaCry Attack to Lure Victims Action Fraud has received the first reports of Tech-Support scammers claiming to be from Microsoft taking advantage of the global WannaCry ransomware attack.

Please see the attached alert for more information.

Please note that a link to the NFIB's feedback survey can be found at the end of every alert, or you can access it here: <https://www.surveymonkey.com/r/FeedbackSDU>. The survey is only 3 questions long and should take no more than 2 minutes to complete. We would appreciate it if you would take a moment to let us know if an alert was particularly useful, or if you have any suggestions for improvement. If you have been forwarded this email and wish to be added to the distribution list for fraud alerts, please contact NFIBOutputs@cityoflondon.pnn.police.uk. You may also use this address to unsubscribe from our alerts.
