

On 19th October the National Business Crime Centre will launch its official website.

We would like the site to be informative and offer appropriate guidance to our business communities and policing teams around the UK.

We now have a great opportunity to share wider so if you have your own site you are happy for us to signpost by a link - then please send a relevant and up to date short paragraph about your organisation or project that we can use on the NBCC website.

National Business Crime Centre

NBCC@met.pnn. police.uk

Address: New Scotland Yard, Victoria Embankment, London, SW1A 2JL
