

Modelling Jobs Advanced Fee Fraud Alert - The National Fraud Intelligence Bureau (NFIB) and Action Fraud have recently noticed that Fraudsters have been setting up fake adverts on social media (including Facebook, Instagram and WhatsApp) and job browsing websites to dupe people into believing they are recruiting for prospective models.

Please note that a link to the NFIB's feedback survey can be found at the end of every alert, or you can access it here: <https://www.surveymonkey.com/r/FeedbackSDU>. The survey is only 3 questions long and should take no more than 2 minutes to complete. We would appreciate it if you would take a moment to let us know if an alert was particularly useful, or if you have any suggestions for improvement. If you have been forwarded this email and wish to be added to the distribution list for fraud alerts, please contact NFIBOutputs@cityoflondon.pnn.police.uk. You may also use this address to unsubscribe from our alerts.

To help you to prevent fraud and/or to obtain details of our available courses, please contact the City of London Police Economic Crime Academy via our website <http://academy.cityoflondon.police.uk>, or you can view our latest prospectus on <http://academy.cityoflondon.police.uk/images/prospectus>
