# “Your account has been restricted”

This is just one example of many fake emails purporting to be from TSB claiming that your account has been “restricted”. The “Account Verification” link in the email leads to a phishing website designed to steal your online banking login details, as well personal information.

Don't be tricked into giving a fraudster access to your personal or financial details. Never automatically click on a link or attachment in an unexpected email or text.

If you have been a victim of fraud or cyber crime, please report it to Action Fraud at [Actionfraud.police.uk](http://Actionfraud.police.uk)
