

As part of our mission to further extend the CSSC North East & Yorkshire Team, Jon has joined the team as The East Riding Sub-Regional Point of Contact.

Jon has over 35 years' experience within the Police and Security Industry. Having held various senior management positions within Global and National business sectors, he brings with him a passion to protect people and is an advocate for a better tomorrow for all. He is also an Associate Member of the City Security Council.

As the Founder & Managing Director of EOS Security Limited, his focus is on communities, people and the environment and he believes that by balancing innovation, technology and intelligence sharing with outstanding customer service, sustainability, ethical measures and caring nature he can heighten awareness for all in respect of security, safety and the world around us.
