### Incident in Christchurch, New Zealand on Friday 15th March 2019

*The National Co-ordinator Protect and Prepare (NCPP) is aware of an incident that has taken place in Christchurch, New Zealand earlier today.*

We offer our heart felt condolences to the citizens of New Zealand and all those affected by these tragic events.

National Counter Terrorism Policing Headquarters are in contact with their colleagues in New Zealand in order to provide support if requested and obtain information to provide advice on protective security in the United Kingdom.

Further information and advice will be sent out to businesses later today.

Advice in relation to a Marauding Terrorist Attacks can be found on the CPNI website [here](#)

The National Coordinator recommends that businesses and organisations use the ACT e Learning package in order to enable your staff to prevent and respond to a terrorist attack should one take place.

Action Counters Terrorism (ACT). It is an innovative 45-minute training scheme that could help prevent terror attacks and it covers how to spot the signs of suspicious behaviour and what to do if an attack should take place. Free to use, the package can be divided into short sections to suit business needs and it takes just three quarters of an hour to complete – 45 vital minutes that could save lives.

The ACT 2018 campaign was implemented to reinforce one particular message – that communities defeat terrorism. We encourage businesses to apply for registration and make use of this free resource.
